I'm not sure I understand what you mean by "for the change of indictment"

As for the Embassy, given that we won't likely get any action out of them before Monday that could possibly help, I don't see much utility in reaching out prior. But I am open to doing so if others think it wise.

So,

Verdict will be on Monday for the change of indictment

G also said that the case prosecutor had complained 2 weeks ago to the governing body for prosecutors that the judge was not performing, I guess thats a good thing if he's worried.

Michael are we going to wait to action the embassy, I think lets see Mondays output and speak ??? thoughts
