Mr. Biden,

Allow me to introduce myself. I'm the White House reporter for DailyMail.com. I've seen your statement on the Ashley Madison incident, but several questions remain unanswered based on the file we saw, which contained information not included in the one presented to you by Breitbart News. Perhaps you would like to use this as an opportunity to clear a few things up.

Chief among the unanswered questions: whether the credit card used to set up and pay for the Ashley Madison account was yours.

If not, why was a credit card with your name on it registered to an address linked to you - 1010 Wisconsin Avenue NW – and used to pay for \$268.99 in services on Ashley Madison on 06-25-2014?

Do you believe yourself to be the victim of criminal-level identity theft?

If it was your card, did you ever report it stolen to your credit card company or the police?

Furthermore, in your statement, you indicated that this is not the first time someone has tried to discredit you. What other incident(s) were you referring to? And why do you think that someone, more than a year ago, began a plot to frame you?

Finally, could you confirm when you became aware of the Ashley Madison account in your name?

Thank you in advance,

Francesca Chambers
White House Correspondent
